

Art-Lash

Eyelash Extension application is a new and exciting technique for thicker, longer and more abundant looking eyelashes. Professional application of individual synthetic eyelash extensions directly attached to the natural eyelash. The initial application of approximately 60 extensions added to each eye is relaxing and comfortable taking approximately 60-120' with re-lash appointments taking 45-60' once or twice a month.

Initial visit \$190, follow up visit \$85(up to 3 weeks)
